

The Royal Health Group Gives Back

December, 2011 - This Christmas, each of the seven facilities of the Royal Health Group donated \$500 to local food pantries in the name of the physicians and other healthcare providers with whom we work to help ensure the “Royal Standard” for quality senior care. Here are the pantries who received a Royal donation:

Royal Braintree - Braintree Community Food Pantry

Royal Cape Cod (Buzzards Bay)– Wareham Senior Center

Royal Fairhaven - The Shepherd’s Pantry (Acushnet)

Royal Falmouth - Falmouth Service Center

The Royal at Harwich Village - The Family Pantry of Cape Cod (Harwich)

Royal Megansett (North Falmouth) - Falmouth Service Center

Royal Taber Street (New Bedford) - St. Anthony’s Food Pantry (New Bedford)

Additionally, Royal Braintree participated in the Braintree Community Pantry’s “Adopt a Child for Christmas,” where the wish lists of children served by the pantry were filled by local companies and individuals. The Royal Health Group congratulates all the agencies serving the needs of our communities, and encourages their support!
